Level Up Your IT Infrastructure

Ricoh-Cisco Meraki Smart Service

Build Flexibility and Agility Into Your IT Infrastructure

Ricoh-Cisco Meraki Smart Service offers organisations seamless connectivity with robust security features that enable effortless collaboration between your team members, no matter where they are. Built for the modern workplace, our solution makes it easy for employees to work together with reliable collaboration and meeting tools while supporting business needs with integrated hardware and robust security.

In 2023, the **average cost** of a **data breach** was **US\$4.45 million,** an **increase** of **15.3%** from 2020.

Cost of a Data Breach Report 2023, IBM

Reliable connectivity for effortless collaboration

Empower your team with uninterrupted connectivity and effortless collaboration with Ricoh-Cisco Meraki Smart Service. We provide secure network infrastructure and reliable calling, messaging, and meeting tools that enable your employees to stay connected and work together wherever they are.

Seamless integration with your IT infrastructure allows your employees to work with confidence, connecting authorised devices securely to your network from any location. Create a truly connected and collaborative work environment that empowers your organisation to reach new heights.

Data-driven insights for better experience and business continuity

Gain data-backed insights to increase customer satisfaction and improve employee experience. Our solutions offer real-time analytics that enable you to make informed IT decisions.

Robust security for the modern workplace

Ricoh-Cisco Meraki Smart Service offers robust security features, safeguarding sensitive data while building IT resilience. With automatic site-to-site VPN and enterprise-grade security features, your employees can log in with ease while your organisation is protected against cybersecurity threats.

Equip your employees with smart devices and collaboration endpoints that deliver exceptional experience, without the complications associated with a remote solution. Modernise your IT infrastructure with enhanced safety and security measures.

Streamline operations and improve efficiency

Streamline your IT operations in a single solution. Ricoh-Cisco Meraki Smart Service features intuitive tools and user-friendly interfaces, simplifying IT management.

Enable remote monitoring, control and management with our cloud and network solutions—gaining unprecedented agility to meet market changes.
